

## IT Business Analyst – Foreign Bank

Our Client is one of Singapore's largest local private sector conglomerates engaged in a wide range of businesses in the Asia-Pacific, Europe and North America.

### Responsibilities

- To participate in key project initiatives in T24 and Murex implementation program

### Requirements

- Good knowledge of treasury products and derivatives – specific experience and knowledge of Fixed Income, FX/MM and Derivative products would be an advantage
- Excellent analytical skills for problem resolution
- Effective team player and point of contact for subject matter expertise
- Able to deliver results under pressure and tight deadlines

If you are interested to explore this exciting opportunity with us, please send an updated CV to [ken@magenta-consulting.com](mailto:ken@magenta-consulting.com). All applications will be treated with strict confidentiality.
