

Financial Controller, Palm Oil Plantation Company (SGX Listing Company)

Our Client is a fast growing Indonesian Palm Oil Plantation Company.

As part of its strategy to bring the organisation to the global stage, they are pursuing a public listing on the Singapore Exchange. Preparations for an IPO are already underway and they expect to list on SGX in 1Q2010.

To beef up its management team, they are seeking an experienced and driven finance professional to join them as Financial Controller. Reporting to the CFO, he/she will be based in Singapore.

Brief Job Scope

1. Project manage the IPO preparations
2. Post listing, ensure full compliance with the relevant regulatory framework including meeting financial reporting deadlines
3. Fully responsible for the finance, corporate affairs and investor relations functions
4. Putting in place a strong accounting system with desired internal controls and corporate governance framework
5. Play an active role in strategic planning including fund raising , M&As and other corporate development initiatives

Requirements

1. At least 8 years of finance and / or investment banking experience
2. A CPA or equivalent professional qualification, familiarity with IFRS accounting framework will be preferred
3. Those who have participated in IPO exercises and have experience running the finance functions of public listed companies will have an edge
4. Articulated, confident and strong management skills
