

Assistant Vice President, Corporate Finance

Our client is one of the largest banks in the region. They are recruiting for their Investment Banking- Corporate Finance department which over the years has been one of the more active Capital Markets and Corporate Advisory outfits in Singapore. The department is known for offering innovative capital market solutions to their clients as well as structuring complex merger and acquisition transactions.

They are looking to hire a highly driven individual at the Assistant Vice President level.

The broad roles are as follows:-

1. Assist the team head in the origination of capital market and corporate advisory mandates;
2. Under the supervision of the team head, execute complex capital market and corporate advisory transactions including IPOs, convertible bond issuance, M&As, privatization etc;
3. Perform financial modeling and conduct research;
4. Ensure compliance against department's operating procedures; and
5. Provide assistance in equity capital markets related activities.

The key requirements are as follows:-

1. A good undergraduate degree in accounting, finance or law;
2. Those who are mandarin speaking will be preferred although not critical;
3. At least 5 years of relevant corporate finance experience;
4. A strong grasp of the regulatory environment such as SGX listing Manual, Securities & Futures Act, Take-over Code etc;
5. Those with prior experience handling REITs, Shipping Trusts and Infrastructure Trusts will have a clear advantage;
6. Highly analytical and strong spreadsheet skills; and
7. Hardworking and highly driven.
